

LE COUVENT D'HEREPIAN

Hérépian, France

Development: 2005-2007

Boutique Hotel

Nestled on the edge of the Haut Languedoc Regional Natural Park in the heart of the village of Hérépian (just a few kilometers from Béziers and Pézenas), this 17th century Convent has been restored into a warm mansion and comfortable Inn. Now composed of suites, a spa with treatment room and indoor heated pool under the vaults, a wine bar, and common areas such as a living room and a dining room, the convent is an ideal destination for recharging your batteries.

The Hérépian Convent was voted "best Small hotel in France" by the Sunday Times.

Land surface : 3,000 sqm

Surface developed: 1,000 sqm

Density: 33%

Architect : Bernard Chevalier
